ILLEGIB

MEMORANDUM FOR: Director of Central Intelligence
THRU: Deputy Director of Central Intelligence
FROM: Legislative Counsel
SUBJECT: Senate Armed Services Request for a
Hearing on MIG-23s in Cuba

8 DEC 1978

1. Senator Harry Byrd (Indep-Va) has requested that the DCI appear at a hearing of the Intelligence Subcommittee on 12 December 1978 at 3 p.m. to discuss the situation relating to MIG-23s in Cuba. Senator Byrd will be in the chair and will probably be the only Senator present. The Intelligence Subcommittee has been nearly moribund since its creation. The committee includes Senator Stennis and Senator Goldwater in addition to Senator Byrd.

2. Senator Byrd asked for the DCI specifically but I am certain we can negotiate another witness if that is indicated.
